STORYBOARD - CHANGING FAMILIES

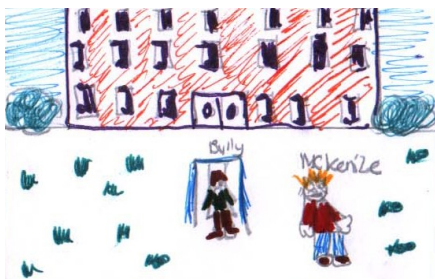

1. Meet the Family from left: Ben, Jack (Dad), Katrina (Mum), Tamsin and Mackenzie. They seem like a happy family.

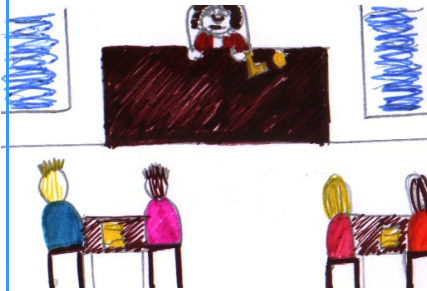

2. Dad is always rowing with Mum over money and going to the pub. They lead very busy lives and seem to be growing apart.

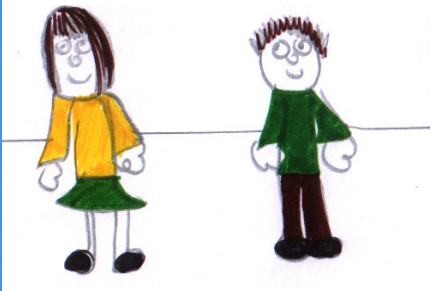

3. One Saturday night they have a bad row, which upsets the children, who are upstairs. Dad walks out and never returns.

4. The children are unhappy and Mackenzie feels vulnerable. Whilst in the park he is bullied by another boy.

5. Both parents fight for custody of the children in the court. Mum gets custody and Dad gets access at weekends.

6. Mum meets a new boyfriend and gradually the children accept him, although Dad is a bit jealous.

7. Eventually Dad meets a new girlfriend and after a while the children get to know her.

8. The kids now have two step parents and after a while they get to know them well.
